Store Policies

At "Just Like New" we "buy" baby clothing (preemie through size 8) and furniture. We give store credit for clothing purchases for items brought in.

When considering previously stored items for consignment, look over each item carefully for any stains/holes/etc... that may have developed during the storage process.

All clothing and furniture must be in "just like new" condition, as defined below.

- Clothing must be no older than three years.
- Clothing sizes preemie through kids 8 only.
- Clothing can have no pilling, missing buttons, broken zippers/snaps/buckles.
- All clothing items must be "matched up" in sets.
- All snaps, buttons, zippers, buckles must be done up.
- All clothing must be lying flat (not folded or wadded up) in a box, laundry basket, etc.

Appointment Guidelines

- Appointments are necessary for bringing items in. We need to ensure there is staff present to accept items and give each customer the attention they deserve.
- Limit of approximately 50 items per appointment.
- Each item will be approved at the discretion of the owner; again, we only accept "just like new" items – that is what our patrons expect to purchase.
- If an emergency arises we would greatly appreciate a 24 hour notice of cancellation, as we have other customers we could bring in during that time. A new appointment will be scheduled at the discretion of the owner.

Exchange / Return Policy

- No Cash Refunds – All Sales are Final.
- If requesting an exchange of clothing or shoes for the correct size the tags must still be attached to the item.

Payment

- We accept cash and major credit / debit cards.
- Gift Certificates are available.
- Prices are non-negotiable; all items are sold "as is".
